**Returns** – If you are not satisfied with your purchase for any reason, you may return it within 10 days of receipt (Holiday gifts by Jan. 9th) providing it's in NEW condition with tags and original packaging intact. All returns must be sent back Freight prepaid. Shipping charges will be refunded only if it was our shipping error. Call for authorization and include a copy of invoice in shipment. There are no refunds on sale items, but may qualify for exchange or store credit. Late returns may be subject to re-stocking charges if we accept the return.

**Warranties** – If a product is defective before use Race Place will normally replace that product and reimburse the customer for normal return shipping charges. Products defective after use are subject to warranties extended by a manufacturer and the disposition is the responsibility of that manufacturer. Race Place will attempt to intercede on behalf of our customers.

**Pricing** – Race Place will make every attempt to adhere to the published price through August 2010. However, some items may be affected by copy errors or price fluctuations beyond our control. We reserve the right to modify any prices.

**Oversize** – Oversize items are identified as either Ground Ship Only or Ground Ship Only +\$6 or \$10 Oversize Charge. Express shipping may be possible with oversize items, but rates will have to be quoted.

**Ground Ship Only** – Some items are marked Ground Ship Only because their contents are considered ineligible for air travel.
